AVAILABILITY

Our Everyday Product Guarantee means we can offer guaranteed availability of our most hired products, available at every branch, every day, collected or delivered throughout England, Scotland and Wales. We are proud of our fleet management and our investment in equipment to ensure we source what tools and equipment you need, when you need it; from our extensive UK network.

WE INVOICE

We recognise that incorrect invoices are a hindrance and a barrier to working well together. With strict targets and a desire to get it right first time we aim to invoice correctly and fairly every time.

WE ENGAGE

More and more customers are finding new ways to engage with us at Toolmach. Our sales team are available for site visits and appointments to discuss your needs face to face. Our National Customer Service Centre offers a one stop phone number for all your hire needs. Online customers can chat with live operators, or email us directly. For those who enjoy local relationships our branch staff are always happy to see customers in their branch.

WE COLLECT

At Toolmach we actively target our branches and drivers to collect on time when the customer needs it. We understand the importance of clearing the site when the job is complete.

WE DELIVER

Toolmach aims to deliver what the customer needs when they want it. We recognise that customers expect our equipment on site. Our drivers ensure that your equipment is delivered on time when you need it most, at a time that suits you.

IT WORKS

More customers that are choosing tools and equipment from Toolmach are taking advantage of our 'Everyday Product Hire Guarantee' promise. With the youngest hire fleet in the industry our customers can rest assured that when we need to supply hire equipment it will work. Reducing costly down time and maintenance on site.
